1. *What A Bird Thought* - Answers

Answer the following questions:

Q1. Which is the first little house of the bird?

Ans: The pale blue egg is the first little house of the bird.

*Q2 Describe the first house of the bird.

Ans: The first little house of the bird is an egg which is pale blue, small and round.

Q3 Which is the second little house of the bird?

Ans: The second little house of the bird is its nest.

*Q4 Describe the bird's nest.

Ans: The bird's nest is made of straw.

Q5 Why did the bird say, "The world is made of leaves."

Ans: Because the bird's nest was built on a tree, when it came out of the nest, it could see leaves everywhere.

Q6 Why does the bird say, "I have been very blind."

Ans: Because when it was in the egg, it thought the world was pale blue in colour and when it was in the nest it thought that the world was made of straw. But now when it came out of the nest it saw green leaves everywhere.

Q7 Which is the next house of the bird after it comes out of the nest?

Ans: After it comes out of the nest, the tree will be the bird's house.

Q8 Describe what the bird will see after it comes out of the nest.

Ans: After it comes out of the nest, the tree will be its house.

*Q9. Describe how the bird will see the world when it is soaring high in the sky. Or What did the bird see when it flew beyond the tree.

Ans: When the bird flew beyond the tree it saw the blue sky and how the world is really made.

Q10 Why can't the bird tell how the world is really made?

Ans: The bird can't describe the world because the world is made up of many different things and it is really very difficult for anyone to describe it.

Q11 Can you help the bird describe the world from the sky?

Ans: The world is a beautiful place with rivers, lakes, ocean, different variety of trees, flowers, birds and animals.

*Q12 List the rhyming words from the poem.

Well-shell, other-mother, find-blind, blue-you.
