Name of the Student \_\_\_\_\_

## Nouns

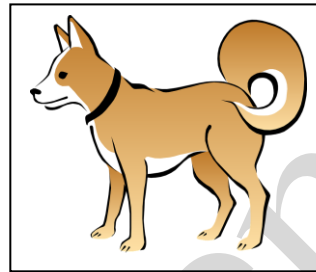

Look at the pictures below and read their names:

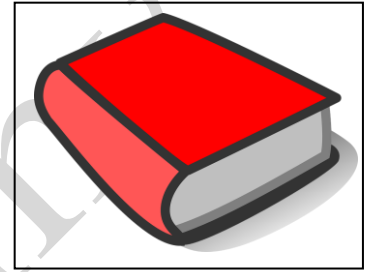

teacher

school

dog

book

All the above pictures have names.

A teacher is a person.

A school is a place.

A dog is an animal.

A book is a thing.

So, teacher, school, dog and book are called nouns.

Let us look at some more examples:

chair

doctor

elephant

playground

These pictures also have names and are called nouns.

**Nouns are names of person, places, animals or things.**
